BRASS & NICKEL COMPONENTS LIMITED WARRANTY

EMCO Enterprises, Inc. (EMCO) warrants that the genuine-brass and nickel handle set and sweep to keep their genuine finish for as long as the original consumer purchaser owns the home in which the door containing such brass or nickel parts was initially installed.

In the event a genuine brass or nickel finish fails under this limited warranty, written proof of purchase of the door and the door serial number must be submitted by the purchaser to EMCO Consumer Support at 1-800-933-3626. EMCO, at its option, will repair or replace the handle set or sweep without charge.

This limited warranty will not apply if the hardware has been misused, abused or altered. This limited warranty does not apply to exterior or interior painted hardware or the function of any lockset and lockset component (see Aluminum door product limited warranty for complete component limited warranty information). This limited warranty does not include brass or nickel (caming) glass accents.
